WEEKLY REPUBLICAN—1897.  
DAILY PUBLIC LEDGER—1892.

MAYSVILLE, KY., SATURDAY, MAY 13, 1905.

ONE COPY—ONE CENT.

UNCLE EZRA'S OPINION OF THE WORLD.

Ain't it good to be a-livin' in this grand old world today?  
Seems as though I've never seen it lookin' half as fine and gay:  
Just been offered sixty dollars for that colt there in the lane,  
And Maria says Joe Higgins wants to marry Mary Jane—  
She's our oldest, you'll remember—gettin' close to twenty-nine,  
And we'd sort of lost hope for 'er—gosh, but this old world is fine!

Wheat is lookin' mighty splendid, corn is good and thrifty, too;  
Seems as though the sky was never half as soft or half as blue.

Amos—his my son—I reckon that you've often heard of him—  
Well, he's goin' with Lib Watkins, only daughter of old Jim—  
Richest man in this whole county! Lib's no beauty, I'll admit,  
But I'm thinkin' Amos figgers that there's more than looks to git.

Hear them blackbirds yonder schreechin'? Can't keep still, they feel so glad!  
I don't see how anybody can set round a-lookin' sad.

When the good Lord's went and fixed it so that everything's so fair;  
Seems as though the lambs were never half as fine as them up there—

Did I tell you that our Lizzie was engaged to Henry Spink?  
He's to ask me for her Tuesday—and I'll give her up, I think.

My! But don't them fields look splendid with the shadows floatin' past;  
And this weather can't be beaten—seems too good almost to last.

When our Mary Jane and Lizzie go and leave their ma and me  
We'll have only three remainin' to git married off, I see—

This, of course, is confidential—that Will Haldard's half inclined  
To shy up to Belle, our third one. Well, I guess ma wouldn't mind.

Yes, I will admit I grumbled and was blue a month ago;  
Things were lookin' mighty gloomy—I've quit nursin' trouble, though.

And I tell you what, it's splendid—this old feelin' in the spring,  
That makes people get to lovin' and to think of marryin'.

We had sort of got to losin' hope for Mary Jane and Liz—  
Say, just look at them there blossoms. What a grand old world this is!

—Chicago Record-Herald.

GEORGE WHITE.

Mr. George White died at 11 o'clock last night at the home of his father, Mr. L. C. White, in East Sixth street, after a illness of consumption.

He was 25 years of age and is survived by his wife.

The funeral will take place tomorrow morning at 11 o'clock, and owing to the critical illness of a brother, Clarence White, the services will be conducted at the grave in Maysville Cemetery, Rev. George Froh of Washington officiating.

That is saying much for its appearance, but it is true and all the ladies have to do to verify the truthfulness of the assertion is to pay Uncle Daniel a visit.

## CADETS HERE

### The Millersburg Boys Arrive in Full Force This Morning

The Millersburg Cadets arrived here on time this morning and will delight the big crowd in town with intricate and beautiful military evolutions, marching, etc., during their short stay.

There are a fine body of young men and some day will be real sure enough soldiers.

The girls are warned that the first Cadet caught flirting while in line of duty will be court martialled—so be careful and do not tempt the boys with sly glances and winsome smiles.

The Mayor has turned the key of the city over to the Cadets for the day, so boys have a first-class time in a gentlemanly way. The town is yours.

## RIVER VISITORS

### Queen City Brings Well Known Congressmen for Brief Stay

The Queen City, having aboard the Rivers and Harbors Committee, arrived here this morning at 7:15.

The steamer Laurance, in command of Captain C. M. Phister, with the Reception Committee and Outten's Brass Band, met the distinguished party some three miles above the city and escorted the big steamer to the wharf.

Outside of Pittsburgh and Wheeling it is safe to say nowhere did the honored passengers receive a more hearty or cordial welcome than right here in this good old town.

As the Queen City rounded to the wharf she was saluted with salvos from Old Zellocoffer and the sounding of whistles by various industrial establishments.

The river front from Limestone to the Depot was lined by our citizens—a Committee of the whole, as it were, to join in the general reception.

Mayor Stallcup and the city officials, headed by Hon. James N. Kehoe, took charge of Congressman Theodore Burton, Chairman of the Committee, and escorted him up town, introducing him to leading merchants, and, in the short space of time at their disposal, showing him what a beautiful city Maysville really is.

Quite a number of society ladies did honor to the occasion by visiting the steamer while lying at the wharf.

After remaining here 45 minutes the Queen City pulled out for Cincinnati, where she is due at 1:30 and where greater honors await the Committee.

The following gentlemen from this city accompanied the party as far as Cincinnati—

Hon. James N. Kehoe.  
Editor Thomas A. Davis.  
Judge Thomas R. Phister.  
John Daley.  
Robert A. Cochran.  
E. P. Browning.  
Harry B. Owens.  
E. L. Manchester.  
C. M. Phister.  
M. J. McCarthy.  
Editor Sam W. Stairs of Dover.

Within this case you'll find three packs To fill a want your journey lacks,  
And if for stakes you choose to play May fortune smile on you always.

This is the inscription, written by President A. J. Conroy of the Associated Organizations of Cincinnati, that the Rivers and Harbors Committee of Congress will find this morning on beautiful card cases that will be handed them as Cincinnati souvenirs. Mr. Conroy is one of the Cincinnatians who will entertain the Congressmen on their visit to the Queen City today. The cards are the finest made. There are three packs in each artistically covered case. The cards were shipped by express to this city and will be the Congressmen's first intimation of their introduction to Cincinnati.

The Paris City Council granted twenty-two saloon licenses, from which the city receives a total revenue of \$5,500.

The Christian Church of Paris will during the coming year support two missionaries—one home missionary, stationed in the Southern States, and one in the foreign field, who will shortly be selected. For the former they raise \$300 annually, and it will require \$600 to support the latter.

There is no question about its being the best, as it will cure a cough or cold in less time than any other treatment. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by all Druggists.

## FORMER MAYSVILLE PASTOR

### Rev. Augustine J. Smith Well Liked in His New Home

Lancaster (Pa.) Eagle.

The high regard in which Rev. Augustine J. Smith is held by the people of this city was manifest Tuesday evening in his presentation to the Bishop of this Diocese—the Rt. Rev. Boyd Vincent—for confirmation, a class of twenty-one persons.

Rev. Smith has only been Rector of St. John's Church for nine months and the preparation of this class, the largest in the history of the Church, has meant a great deal of hard work and close attention to his duties. The Church under his leadership is prospering and not the slightest discord exists among his congregation who have worked zealously to assist him in all his work.

The Rev. Augustine J. Smith was a former Pastor of the Church of the Nativity in this city where he was highly esteemed by the community and greatly beloved by his congregation.

Albert H. Vogt, son of Henry Vogt, a prominent Louisville Knight Templar, died Thursday after a short illness of pneumonia, aged 21.

The Rev. W. N. Briney of Warrensburg, Mo., has accepted the call to the Broadway Christian Church of Louisville. He is a graduate of Kentucky University, and the Bible College of that institution. After he was graduated he preached at Leesburg and Mt. Carmel, until he was called to Paris, Mo., where he labored five years, last September accepting a call to Warrensburg, where he has filled the pulpit of the Christian Church with great success.

## Beware of Ointments For Catarrh That Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

## A Word of Our Fine Trimmings

There are no styles so exclusive, no trimmings too beautiful to find a place at Hunt's. There is a constantly growing clientele of Hunt trimming customers who realize what this store does in the matter of high class trimmings. They judge Hunt trimmings by their quality and know better than to expect anything but the best at moderate prices. HAVING succeeded so well in raising insurance rates, Kentucky now proposes to try her hand at raising alfalfa.

THE Dover News takes a whack at explaining the late Colonel Rosser's will, "from information obtained through dispatches sent from Maysville to the daily papers." I thought Editor STAIRS was "too old a coon" to be deceived by the "rot" that is sent to some of the city dailies in the name of "news."

A FEW minutes after President ROOSEVELT reached Chicago a Committee of labor leaders called on him to file a protest against the use of Federal troops to suppress the rioting teamsters in that city. The Committee consisted of CORNELIUS P. SHEA, President of the International Brotherhood of Teamsters; CHARLES BOLD, President of the Chicago Federation of Labor; JOSEPH O'NEIL, Vice-President of the Chicago Federation of Labor; T. P. QUINN, a member of the Canvasser's Union, and T. RICKERT, President of the Garment Workers' International Union.

Outside of the members of the Committee, President ROOSEVELT and Secretary LOEB, no one was present during the conference; and Secretary LOEB tells "what happened to SHEA," and the story is good enough to print in its entirety—

After presenting the protest to the President, Mr. SHEA, acting as spokesman, said:  
"We are here as a Committee to present to you a statement stating our position in this controversy between the Employers Association and the Teamsters Association."

"We have understood that they had asked your aid for bringing troops into Chicago. We want to present our proposition to you."

PRESIDENT READS PROTEST.

Mr. QUINN said—  
"It will take about ten minutes to read this. Perhaps we had better leave it with you."

The President said that he would read it at once, and after doing so said—

"I have read the petition you have presented to me, the conclusion of which is a request for a hearing before any action be taken by the Federal President relating to the Chicago strike question."

"As yet no suggestion of any kind has come to me from any source that I should take action."

"Of the merits of the case I am wholly ignorant. I have no knowledge of what the situation is nor of what steps should properly be taken to end it."

PRESIDENT DISPLEASED.

"I feel, however, that in view of one statement, or series of statements, in your letter, I ought to say this: I regret that you should in the letter have spoken at all of the use of the Federal Army as you have there spoken."

"No request has been made to me for action by the Federal Government, but at the same time, Mr. SHEA, as you have in this communication to me brought up that fact I want to say one thing with all the emphasis in my power."

"In upholding law and order, in doing what he is able to do to suppress mob violence in any shape or way, the Mayor of Chicago, Mayor DUNNE, has my hearty support."

"I am glad to be able to say this to you, gentlemen, before I say it to any other body."

"Now let me repeat that I know nothing of the facts of the situation."

WILL UPHOLD MAYOR.

"I know nothing of the right or wrong of the points at issue. What I have to say is based purely upon what I regard as the unfortunate phrasing of a letter presented to the President of the United States."

"I have not been called upon to interfere in any way, but you must not misunderstand my attitude."

"In every effort of Mayor DUNNE to prevent violence by mob or individuals, to see that the laws are obeyed and that order is preserved, he has the hearty support of the President of the United States, and, in my judgment, he should have that of every good citizen of the United States."

"Now, gentlemen, it has been a great pleasure to see you, and I am glad to have had the chance to say this to you."

### A Good Suggestion.

Mr. C. B. ## YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned.

Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered Kidneys. A simple test for Kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

### Some Pronounced Incurable

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

### Had Lumbago and Kidney Trouble

Edward Huss, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."

## Something About Those Instructions to the Judge Hargis Jury

The trials of Sheriff Ed. Callahan, Alex. and Elbert Hargis, who were jointly indicted with Judge James Hargis for the alleged murder of James Cockrill, were called in Circuit Court at Lexington Thursday morning and passed until Tuesday of next week.

Commonwealth's Attorney Allen stated to the Court that he desired to pray an appeal to the Court of Appeals regarding certain decisions and also the instructions given to the jury in the James Hargis case last week.

The motions entered by the defense for bail for Elbert Hargis and Sheriff Callahan were overruled by the Court.

Mr. Davis is the Senior Past Great Sachem, having the distinction of being the oldest surviving ex-officer in Kentucky.

## CHAPTER II.

"The Mill Will Never Grind With the Water That is Past."

In Chapter I, contained in Monday's issue of this paper, I had something to say with reference to the amount of real estate which has changed hands in the city of Maysville during the past twelve months. While that is very gratifying to me and to others, we cannot afford to be content with the results heretofore achieved. Past success gives us new courage for future effort. I now bespeak your help in making my second COMBINATION SALE a great success. Let us see to it that more property is sold on that day and better prices realized than at the previous sale. I have some very attractive property which will be offered at that time. The minimum prices which I have should be an assurance that this property will find ready purchasers. On May 24th I am going to provide free transportation for all the adults who will take advantage of this opportunity to buy something that will yield them sure returns in the near future. A brass band of about ten pieces will furnish good music, and one of the best Auctioneers in the United States will entertain those who attend.

Below is a partial list of property that will be offered—

The E. Martin property, corner Second and Limestone streets, lot 132.

One lot in Riverview Terrace, 75 feet front, extending back same width from Second to Third streets.

A vacant lot in East Fourth street, adjoining William Lundrigan.

Five lots in Maysville Real Estate Subdivision.

John J. Cobb's dwelling in East Forest avenue.

Jeff D. Easton's frame house in West Third street.

William Davis's residence in West Second street; lot fronts 66 feet on Second street and extends back to Third street.

M. J. McCarthy's two-story frame house on German-town pike.

The Samuel Smith homestead, West Third street.

Yours truly,

John Duley

## Save Your Daughter

No. 183 West 25th Street, New York City, N. Y., April 9, 1905.

Wine of Cardui has been a blessing to my home. I have often found that it was a great relief. I was weary of pain, but I am especially grateful for what it did for our daughter and only child. I noticed that her menses were hardy and she suffered with headaches and giddiness, heaviness in the abdomen and about the loins. This seriously interfered with her studies and she had to discontinue several of them.

A visitor calling on me and discussing the matter suggested that I give her a course of your Wine of Cardui as it had relieved her daughter of a similar trouble. After my daughter had used it for five weeks I found a great improvement in her looks, health and behavior, in fact she was a different girl. The flow became regular and we have not had any difficulty since.

Lizzie H. Thompson

TREASURER, RATERONE MEMORIAL ASSOCIATION.

## WINE OF CARDUI

Here the menstrual function had not been properly started and the unnatural condition was making the young girl an invalid. The headaches and giddiness, indicated something more than a mere temporary ailment. They were symptoms of a functional weakness which would become more and more aggravated as years went by. But Mrs. Thompson was ready to take advice for her daughter's welfare and she gave the little sufferer Wine of Cardui and now she is a well young woman.

If your daughter is sickly and frequently ailing the letter of this good mother contains the best advice you can follow.

Wine of Cardui is the menstrual regulator that cures nine cases out of every ten. Young girls, mothers and aged women find this tonic indispensable. All druggists sell \$1.00 bottles Wine of Cardui.

About forty Haymakers of local Loft No. 34, in charge of Chief Haymaker T. M. Russell and Collector of Straws Conrad Rasp, left on the Courier yesterday morning for Newport, where they instituted a Loft last night in that city. They were a healthy and lively set of Hayseeds, and if the town on the banks of the Licking was not painted a deep carmine and lighted with a glare of red, it is a sure shot that it was not the fault of the Redmen from the upper part of the state.

**Voice of the People**

Editor of The Ledger—Sir: As the time is drawing near to hold a County Convention to nominate Republican candidates for county offices, I think it is about time to look over the field to find the right kind of timber—some one that can win and will try and win and not be a candidate just to get beat. I have always noticed that the man to nominate is the one that the Democratic leaders don't want and to that end I would suggest the name of James M. Collins (the lawyer in Court street) for County Judge. The present ring have more fear of him than any one else, as they have already sent their Republican friends to him to get him to run for Representative. Now I predict that if James M. Collins is nominated for County Judge and equally as good men for the other offices that the Democratic banner will trail in the dust.

**HIGHEST PRAISE.**

Some Maysville Citizens Grow Enthusiastic on the Subject.

The praise of the public is merit's just reward. Nothing in modern times has received the praise accorded "The Little Conqueror."

Of some kinds of praise we are skeptical. We doubt the praise of strangers. The highest praise for Maysville public is hearty expression from Maysville people. Doan's Kidney Pills are endorsed in Maysville. No better proof of merit can be had. Here's a case of it. We have plenty more like it.

James D. Tolle, clerk at Wood Bros. meat market, and living at 117 Short St., Maysville, Ky., says:

"I was troubled a great deal for some time with constant heavy pain in the small of my back and over the kidneys. At times it was so bad that I could not stoop to sit down or get up without much difficulty. The action of the kidneys was noticeably weakened and passages of the secretions were too frequent, and there was a scalding, burning sensation at times. Hearing of Doan's Kidney Pills I began using them and finding great benefit, continued the treatment until I had taken one or two boxes more and was thoroughly cured of all my troubles. I have never had the least bit of suffering from my back or kidneys since. I give all the credit to Doan's Kidney Pills and feel justified in strongly recommending them to others."

Plenty more proof like this from Maysville people. Call at J. James Wood & Son's Drug-store and ask what their customers report.

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
